

Denis Seymour (1938 – 2015)

Denis was active in and dedicated to his world of nature and his community as a fireman for 25 years, a counsellor of Coldstream for 3 years and was instrumental in saving Kalamalka Lake Park from developers. He taught his 6 children, 14 grandchildren and 7 great-grandchildren to love nature and all its species, especially insects. He will leave a very large hole in the lives of his family.

Denis was a long-time member of NONC. Amongst the talents he shared with us was his gift of music, playing the piano at Christmas parties and winter singalongs.
